Palatka Fire Department
4th Annual Lafarge Fire Prevention Golf Tournament
Sponsored by

The Palatka Fire Department is proudly hosting the 4th Annual Lafarge Fire Prevention Golf Tournament to be held at the Palatka Golf Course on March 27, 2010. Our tournament is one of the largest fund raising tournaments in Palatka. We are seeking sponsor donations with hole sponsorships, (minimum \$100.00), and or door prizes, to help support this tournament. The donation will assist the Palatka Fire Department to continue its long-term commitment to fire safety education.

For your donation you will be advertised in our program/score card, hole sign, sponsor board, newspaper, and announced at our award luncheon, along with a slide show presentation.

Proceeds from the tournament will be used to purchase coloring books, fire hats, brochures, and other fire education supplies to assist our department with fire safety education for children, adults, and senior citizens. By sponsoring a hole on the course, your advertisement not only promotes good business, but is a statement of your strong support and involvement in community affairs. If you are able to donate, please contact my office to make the arrangements for pick-up or you may send the donation to Palatka Fire Department..

Please make checks payable to: **City of Palatka**, memo: Fire Pub-ed

Send to: Palatka Fire Department
100 N 11th St
Palatka, FL 32177
Attention: Mark Lynady

If you have any questions please contact my office.
